JT VINTAGE SERIES COLOR SWATCHES

Hollowbody guitars can be found on countless recordings and stages worldwide adding a distinctive tone that cannot be replicated by any other electric instrument. Our models aim to reproduce that sound and style (plugged in – or not!) while exceeding your expectations of how a great hollowbody guitar feels in your hands. Using these attributes as our inspiration, our amazingly affordable models offer great styles and finishes that allow you to continue building your guitar tone-seeking collection without building your guitar obsession debt.
