

## **Waves GTR3 Dan Spitz Presets**

Waves is pleased to present 3 custom GTR3 Amp presets from Anthrax guitarist Dan Spitz. These presets are compatible with the GTR3 Amp plug-in.

- ❖ Spitz Guitar Left
- ❖ Spitz Guitar Right
- ❖ Spitz Bass DI

Extract and save the .xps files enclosed in this zip file, click the **Load** button located on the top toolbar of the GTR Amp, and direct the open dialog to the location of .xps files.

Enjoy,  
The Waves GTR Team
