liars, thieves, sycophants and confidants:

shannon 'smitty' smith (WWSD)

Doc on the MS TU

anders 'stormin' norman

leonard 'spaceman' collins, who can't help it he's canadian. We think of him as an unarmed american with health insurance.

rox the fox in loosana (thought I'd forget?)

howie mcD – TWP, KWTH, base out.

BOLT introduced by Frank Rosaas, vennesla, norway – (they call it fishin', not catchin'. Two hotdogs, please.)

STEELTOWN VISIT arranged by sigbjorn fjellheim, probably the toughest little bastard

I'll ever meet. Took me fishin' and didn't tell me he had a broken arm till later – they were biting.

SPECIAL THANKS to:

Doc

Ronnie le T, for those three little words.

Jimmy D, a partner in crime and a Pirate if ever one was.

Charlie at SS, the Hurricane's Eye

smitty, for nothin'. You mook.

Rox for the stories.

Odda, Norway, which is exactly like it sounds.

Dieter and Uli Pietsch, who are *always* there.

Betti Bauer, who keeps www.tonycarey.com up and running.
